Dear Professor [Redacted],

This is a letter from the sociological journals -- *Proceedings of Social Medicine* (PSM) and *International Journal of Social Security* (IJSS) published by the Spring-City Culture International PTE, LTD. of Singapore. With reference to your eminent contribution in your field, I will be honored to have your paper submitted to our journals. Your support will become an inexhaustible power to promote our progress.

*Areas of Interest – Proceedings of Social Medicine*

◆ The social and economic structure of health-care provision, health policy, and clinical holism, as well as the evolving concepts in this field, such as concerns with doctor/patient relations in modern society;

◆ The impact of social and economic conditions on health, disease and the practice of medicine

◆ Material relevant to social sciences from any of the professions concerned with physical and mental health

*Areas of Interest – International Journal of Social Security*

◆ Research related to the most pressing issues in social security worldwide from various branches of social science and integrated analyses of policy and practice, including but not limited in social work and human rights, social policy, health, homelessness, children, youth and families etc.
◆ International comparisons and in-depth discussions of topical questions and studies of social security systems in different countries

◆ Information, research, expert advice and platforms for members to build and promote dynamic social security systems and policy worldwide.

*Rewards*

● The author will receive 1,000-10,000 dollars when his/her paper is appreciated by our reviewers;

● The author will receive an extra bonus when his/her paper is selected as the best in any issue;

● The author will receive an added prize when his/her paper is selected as the best within all the issues in a whole year.
